We are praying “The Amos 9:13 Blessing Victory! Read the Message Bible

*““Yes indeed, it won’t be long now.” God’s Decree. “Things are going to happen so fast your head will swim, one thing fast on the heels of the other. You won’t be able to keep up. Everything will be happening at once—and everywhere you look, blessings! Blessings like wine pouring off the mountains and hills. I’ll make everything right again for my people Israel: “They’ll rebuild their ruined cities. They’ll plant vineyards and drink good wine. They’ll work their gardens and eat fresh vegetables. And I’ll plant them, plant them on their own land. They’ll never again be uprooted from the land I’ve given them.” God, your God, says so.”*

##### **Why This Matters: Confront The Things That are Opposing Dream Nation**

Paul isn't teaching generic spiritual warfare—he's unveiling a Kingdom strategy for territorial breakthrough. This passage is foundational for apostles, prophets, reformers, and Breadwinners who confront systems, cultures, and strongholds that oppose the advancement of God's Kingdom.

- You're not just fighting for income—you're fighting for influence.
- Strongholds over your finances or region may not be economic—they may be mental or generational mindsets.
- Use your authority to tear down limiting beliefs about money, provision, and purpose.

##### **Example:**

David didn't fight Goliath with Saul's armor. He fought with revelation and obedience—he knew the battle was spiritual. We understand the battle is spiritual and it is already won in the spirit realm.
